Westerlo Veteran Tribute and Memorial at Westerlo Town Park

For several months, the Westerlo Hometown Heroes Committee has been working on a permanent tribute for Westerlo veterans. The Committee is happy to report that a tribute and memorial will be installed at the Westerlo Town Park. This project includes the

installation of seven flags; one for each branch of the military and an American flag. Each flagpole will have a solar light fixed to the top of the pole that light up the flags. The project also includes a 10 x 4 x 3 granite tribute and memorial stone that will honor all who have and are currently serving our country in the armed forces. The final touches will include landscaping in and around the area. The project was made possible by donations from Hannay Reels, The Bank of Greene County as well as from residents of Westerlo. Elaine Gruener, COO for Hannay Reels remarked, "I was impressed with the thought and planning that has gone into this worthwhile project for the Town. Hannay Reels will be pleased to make a pledge to make this proposal a reality." The Committee plans a dedication ceremony for the community once the tribute and memorial stone has been installed. In the future, engraved paver stones will line a pathway to the memorial. Pavers will be available for purchase to honor veterans whether or not they are a Westerlo resident. The Committee is grateful for the generosity of Hannay Reels, the Bank of Greene County and the many residents who have supported this project. Anyone wishing to make a donation to the Westerlo Hometown Heroes Committee for banners, Closing Ceremony or the Veteran Tribute Memorial can contact Amie Burnside, (518) 396-8787.

From the Supervisor's Desk

Hopefully most of you have heard the good news! The House Appropriations Committee has finally approved the federal spending bill that will provide \$1,687,500.00 in federal grant money to the Town of Westerlo to provide high speed internet access to our residents.

There are many individuals that have spent the last several years working hard to make this dream a reality. First and foremost, this wonderful opportunity would not have been possible without the Westerlo Broadband Research Committee (BRC). These folks are truly the unsung heroes that have worked countless hours behind the scenes to bring this project to fruition. The BRC has never been satisfied that only a portion of our community currently has access to reliable high speed internet. They knew that the Town desperately needed federal funding to be able to continue their work, so they applied for a grant through Congressman Paul Tonko 's office to fund Capital Region Community Projects. The BRC and the Supervisor's office spent countless hours developing a broadband implementation plan and preparing a grant application to present to Congressman Paul Tonko. Fortunately for us, our grant application was successful and our project has been given a green light.

Moving forward, we plan to bring reliable high speed internet access to as many households as possible with the funding we have received. Hopefully this translates to at least the majority of Westerlo residents. We will continue to fight for the funding required to provide reliable high speed internet to all Westerlo residents in the near future. Thank you to everyone who has helped make this dream a reality.

Dear Code Enforcement Officer

Like "Dear Abby" but with a more practical application, Westerlo's Code Enforcement Officer (CEO) will answer questions here in the newsletter for the benefit of all residents. Questions do not need to be property or resident specific. Example, general questions such as, do I need a permit for an inflatable pool on my property? What are the rules about placing a shed near my property line? And more. Please submit your questions to: CodeEnforcement@TownOfWesterloNY.com. The CEO will pick one or two questions to answer in the next newsletter.

On the Road with the Highway Department

The Highway Superintendent Jody Ostrander and the employees of Westerlo Highway Department have been busy keeping the town roads cleared during winter's uniquely unsettled weather. Blizzards, rain, sleet, floods, windstorms, downed trees and even thunderstorms have become the norm. Some storms provided all the above weather features in less than 24 hours. No matter what mother nature has thrown our way, the Highway Department has managed to keep our roads in good shape. Maintaining the roads and providing safe passage

requires having the right piece of equipment for the job which is something that Jody has been focusing on during his current term in office. In recent months, he has put an emphasis on updating the Highway Department's equipment, focusing on advanced safety features that protect the equipment operator. He most recently acquired a new loader and pickup truck by selling outdated equipment, saving tax payers thousands in the process.

Most importantly, Jody has worked hard in recent months to create a "safety culture" among the Town highway employees that will help maintain a safe work environment for all. This "safety culture" prevents accidents and ensures that everyone gets to go home safe at the end of the day.

And if that weren't enough to keep the Highway Department busy, Jody and his staff successfully brought back the ice-skating rink to the Town Park. This much loved benefit of yesteryear was enjoyed by many. The Highway crew constantly monitored the condition of the rink for safety and enjoyment. Next year's rink is expected to be new and improved.

Westerlo Heritage Museum Hosts Winter Fest

The Town Park was once again the place to be as the Westerlo Museum hosted the Town's First Winter Festival. Rescheduling by one day, due to a winter storm didn't seem to be a problem as many adults and children came to enjoy the festivities. Of particular note, the "mobile" Museum displayed historical winter memorabilia including sleds, skates, skis and more. A chili-cook off had three residents competing against each other for best Westerlo chili. Our Town Supervisor can add another title to his name as "Westerlo Chili Champion." One local youngster won for the best snowman and was excited to receive a \$25 Wal-Mart gift card. Other activities included temporary tattoos, corn hole, ladder ball and of course a warming station around a campfire. The Museum offered popcorn, hot dogs and beverages to all attendees. Residents were thankful to the Museum Committee for hosting, to the Highway Department for plowing and setting up and to others who volunteered, Deputy Clerks Marta Pongo and Kathy Spinnato, Town Board Members Lorraine Pecylak and Josh Beers and residents Pete Mahan and Dave Scholer. Plans are already being made to make it bigger and better next year.

Helderberg Heroes Project is a grass roots, all volunteer effort to support the courageous men and women who are serving our country. Their goal is simple, express gratitude and provide encouragement by sending care packages of "goodies," letters,

and cards to deployed soldiers, sailors, airmen and Marines around the world. A little bit of kindness goes a long way for a lonely soldier away from home.

Helderberg Heroes Project is an ambitious project which will require the support of many caring individuals, organizations and businesses. All donations will go directly to the benefit of our active-duty military service personnel.

The success will depend on the generosity of others.

Westerlo Rural Cemetery News

SPRING CLEAN UP

The Westerlo Rural Cemetery located on State Route 143, plans on doing spring cleanup on April 9th at 10 am. Over 95% of our volunteers are over 65. There are many local names on the stones in the cemetery. If you are family or friends with anyone in the cemetery, they would appreciate your help in volunteering. Bring your rake, a shovel (they promise there is no real digging) and some work gloves. The cemetery volunteers work hard to keep the cemetery looking neat and clean and often receive very nice compliments. This is back breaking work, any help residents can provide would be appreciated. Many hands make light work!

RESTORING AND REBUILDING

Steve, the cemetery caretaker, has been slowly working on rebuilding collapsed stones. Stones are owned by the families of the deceased, those families are responsible for their upkeep. When volunteers do not know the owner of a stone or cannot contact the family of the deceased, they work on the fallen stones to restore them. Proceeds from the snack sales of the Halloween Trunk or Treat help fund this project. If you have any questions about this project, the Trunk or Treat event or would like to donate toward cemetery stone maintenance and re-building, please contact: Betty Filkins at (518) 275-2935. Tax deductible donations can be sent to: The Westerlo Rural Cemetery, PO Box 29, Westerlo NY 12193. The Westerlo Rural Cemetery does not receive any funding from the State, County or Town. Operating expenses are only covered by the handful of plots sold each year. A donation in any amount is appreciated.
