Town of Westerlo 2nd Annual Fall Festival

Saturday, September 17th was a special day here in our small town. The Town of Westerlo celebrated its 2nd Annual Fall Festival at the Westerlo Veterans Memorial Park.

This event was a wonderful way to celebrate the end of summer thanks to our fantastic community who came out for a great day of family fun! There were hay rides, games, a rock wall, pony rides, delicious food, a photo booth, pumpkin painting, great music and more! The staff worked tirelessly to organize this event hoping to make it bigger than last year. With over 1,000 visitors, we think we will call it a success!

Thank you so much to all of the generous sponsors, supporters, staff, volunteers, vendors and of course all of you for joining us for this event.

A special thanks to Callanan Industries, Kelly's Pharmacy, Crossroads Ford, National Bank of Coxsackie, Albany Exteriors, Van Auken Express, RD Wright, GNH, Preville Technology, Lumifian Holdings, William Larned & Sons, M&D Farm, Mark & Michael Stanton, Hannaford, Boehm's Farm, Hewitt's, Dave's Maple Syrup, Partridge Run Farm & Apiary, Golden Acres Charolais, Oat's Country Acres, Ding Boomhower, Albany Co. From the Supervisor's Desk

Summer is gone and we are finally in full swing of the fall festivities. The 2nd Annual Fall Festival was amazing! Thank you to all of the town employees for making the event a success. Your hard work and dedication to the community

are second to none. I am proud to be a part of such a wonderful group of people and look forward to the upcoming community events. Thank you to all of the residents who came out to enjoy the festivities. It was wonderful to get a chance to interact with all of you. Please enjoy this edition of the Town of Westerlo Newsletter.

In closing I would like to pose a question to the people of Westerlo. Why not Westerlo? Why not us? I hope this question plants a seed of possibility in everyone. Because anything is possible. Why not Westerlo to lead the Hilltown's into the future of rural entrepreneurship, business, agriculture, technology, education, tourism and recreational opportunity? Why not us?

- Supervisor Matthew Kryzak

On the Road with the Highway Department

After receiving proper permitting, we were able to clear the obstruction in the Basic Creek that runs through the park. Unfortunately, due to time constraints and poor weather conditions, we weren't able to use the funding from the grant through Albany Co. Soil and Water to complete the erosion work.

In other news, we installed a 5' crossover pipe on Boomhower Rd. and constructed the subbase for the veterans monument at the park. We hope to have the project of taking down veterans banners completed by the end of the month all while preparing for the winter season.

Rick Rupeka in our maintenance department is erecting an overhang and deck on the south entrance of the Town Hall. This should reduce liability and work for the Town.

2023 Transfer station permits are now on sale.

Dear Code Enforcement Officer

Like "Dear Abby" but with a more practical application, Westerlo's Code Enforcement Officer (CEO) will answer questions here in the newsletter for the benefit of all residents. Questions do not need to be property or resident specific. Please submit your questions to:

CodeEnforcement@TownOfWesterloNY.com. The CEO will pick one or two questions to answer in the next newsletter.

With the temperature getting lower, plus the cost of fuel going higher you may be looking at alternative heat sources for your home this winter. Solid fuel burning appliances (wood/pellet stoves) are a common option for home owners. Just keep in mind that a building permit is required before they are installed. A permit will ensure that your appliance/chimney is installed properly and in compliance with the fire code and the manufacture specification. This is important not only for your safety but also for the safety of first responders. A properly installed solid fuel appliance can be a safe way to save on heating cost this winter.

-Jeff Pine

Broadband Research Committee (BRC)

The BRC has great news! Thanks to the Supervisor's diligence, the Town no longer has to come up with the money for the matching portion of the Tonko Grant; this will amount to a \$562,500 savings for the town!

Unbeknownst to the Town, Mid-Hudson Cable ran fiber internet over the summer to a portion of town that was in need. All of CR 412, Udell Rd, Ryan Ln, Crawford Rd, Green Ln and Otto Rd are now serviced. If you reside on one of these roads and would like to sign up for service, please contact Mid-Hudson.

The BRC will continue to work to bring more fiber internet to those still in need.

The BRC meets the 3rd Monday of every month at 7 pm for anyone interested in attending. Please see the website for cancellation notices.

Westerlo Hometown Heroes

Hometown Heroes Committee To Host Events Honoring Veterans

The Hometown Heroes Committee is putting the final touches on two special events honoring veterans. On November 5th, the Committee will host its annual Closing Ceremony. This ceremony pays tribute to those new banners honoring veterans displayed in town. Plans for this year's event include guest speaker Liz Joy and a performance by Norwich University's elite drill team, the Shock Platoon. The event will be held at 2 pm at the First Baptist Church of Westerlo, 618 State Route 143, Westerlo. Food will be provided by Beverwyck Independent Senior Living. The event is free and open to everyone in the community. The Committee hopes that all will attend to honor Westerlo veterans.

The second event planned is the dedication ceremony of the Veterans Garden. The dedication will take place on November 13th at 2 pm at the Town of Westerlo Veterans Memorial Park. The Veterans Garden will display an American flag and flags for every branch of the military, a monument dedicated to all those who have served and are serving our country, a POW/MIA monument and a Battlefield Cross. The ceremony's special guest speaker for the event is Corporal Luke McDermott, Marine Corps who served from 2006 to 2011. This event is also free and open to everyone in the community.

In other news, the Hometown Heroes Committee is selling engraved pavers that will be installed in the Veterans Garden in the spring. A paver may be purchased for any veteran, past or present. The veteran being honored does not have to be a resident of Westerlo. Each paver costs \$100 and includes the engraving. The special pricing is in effect for the first two hundred pavers. **An order form is available at the end of the newsletter. Additional copies are available at Town Hall, on the Town of Westerlo's website and facebook page or by emailing the Committee.**

Anyone with any questions can email the committee at WesterloHometownHeroes@gmail.com or call (518) 396-0350.

Wreaths Across America (WAA) is a national nonprofit organization founded in 2007 to continue and expand the annual wreath-laying ceremony at Arlington National Cemetery. This began in 1992 by Morrill Worcester, a businessman from Maine.

WAA's mission – *Remember, Honor, Teach* – is carried out in part, by coordinating wreath-laying ceremonies at Arlington, as well as at veteran's cemeteries and other locations in all 50 states and beyond. There are over 1,200 participating locations.

Every year since 2008, Congress proclaims a date in December as National Wreaths Across America Day. This year, it will be held on Saturday, December 17, 2022.

All three (3) cemeteries in Westerlo will be participating in Wreath Across America this year. There are 120 veterans buried in the Westerlo Rural cemetery, 40 veterans in the Westerlo Central cemetery and 42 in the Hannacroix cemetery.

The cost to sponsor a wreath is \$15.00. **Forms are available at the Town Clerk's office and on the Town's website and Facebook page.**

Westerlo History

It has been suggested that Philip Myers was the very first settler in Westerlo. We've all seen the sign on 401 across from the Heritage Museum but who was this Philip Myers?

Westerlo wasn't incorporated until 1815. Prior to that, the western portion of Westerlo was part of Rensselaerville and the eastern side was part of Coeymans. Our town was basically the "wild wilderness" occupied by nomadic native Americans.

Philip Myers Sr. and his 9-year-old son, Philip Jr. (our first settler) came to America from Germany around 1753. The elder Myers left the remainder of his family in Germany intending to locate a home in the "new country" and then bring his family to the place that he selected. They most likely came into New York City and then sailed up the Hudson to the New Baltimore river landing. From there, they walked west into the wilderness meeting Andreas Whitbeck of Coeymans who kindly took them in and helped them restock for their adventure.

The two Philip's continued their journey west until they got to the Basic Creek (what we know as South Street, Westerlo or Route 401) and what they considered a "pleasant valley". They declared this the spot for their future home. They returned to Whitbeck's where Philip Sr. left Philip Jr. in the care of his new friend, Andreas, and then Philip Sr. started his trek back to Germany to retrieve the remaining family members to come to America.

Sadly, Philip Sr. was never heard from again. The assumption is that he either died in the wilderness or on passage back to his homeland. As the story goes, Philip Jr. was raised by Andreas Whitbeck and upon turning 18 left to claim the property that he and his father picked out where he built a log cabin and began farming. It is estimated that the cabin was built around 1763. That log cabin can be seen today as the interior structure of the "Percy House" which the town now calls the Westerlo Museum!

There were other settlers that started to occupy the area, one of which was the Stoddard family of which young Philip took a wife. The Revolutionary War started in 1775. The Native Americans became hostile and the area became a hotbed of Toryism (siding with the British) so Philip took his family to Dutchess County for the duration of the war but returned afterwards, around 1782.

Although there is no record of military campaigns in Westerlo during the Revolution, there was a large influx of settlers after the war of soldiers wishing to claim their own land and start their families in our area. Names such as Snyder, Preston, Beardsley, Willsey, Requa & Rosekrans survived the Revolution and settled in our town; later to be incorporated in 1815.

Submitted by Gayle Hannay, Town Historian from data collected from family ancestry files and "Westerlo Then and Now" by Thomas Blaisdell, previous Town Historian.

Westerlo Rural Cemetery - Route 143

The Westerlo Rural Cemetery is one of the oldest cemeteries in New York State with burials dating back to before the 1800s. The cemetery is host to those who fought in the War of Independence, the Civil War and every major conflict to date. The cemetery encompasses approximately 13 acres on both sides of CR 143 between the Town of Westerlo and SR 85. Westerlo Rural Cemetery is a not-for-profit organization run solely by volunteers at the direction of a Board of Directors and regulated by NYS Cemetery Association. The mission of Westerlo Rural Cemetery seeks to honor the memory of those who have chosen our cemeteries as their final resting place by creating dignified, respectful and well-maintained environment in which families and friends can reflect on the memories of those they have lost and to honor the memory of those in our community who have passed.

Our only fundraiser is the trunk or treat held at the Westerlo Veterans Memorial Park the Saturday before Halloween where we have refreshments to raise money to clean and repair the 200-year-old monuments where family is no longer in existence to take care of them. Please come and decorate your car to hand out candy to the children which keeps them off our dark streets! There is no charge to enter your car and hand out candy. PACT ACT

On August 10th of this year, President Biden signed the Promise to Address Comprehensive Toxins, otherwise known as the PACT Act. The PACT Act is a historic new law that will help the VA deliver for millions of Veterans – and their survivors – by empowering them to presumptively provide care and benefits to Vets suffering from more than 20 toxic exposure-related conditions. It will also bring generations of Veterans into VA health care, which will improve Veteran health outcomes across the board.

The VA is ready to implement the PACT Act and deliver for toxic-exposed Veterans and their survivors. If you think you might be eligible for PACT Act benefits, here's what you need to know:

- You can apply for PACT Act benefits now by filing a claim.
- As President Biden announced at the bill signing, all 23 presumptive conditions in the PACT Act are eligible for benefits effective August 10th.
- You can learn more about the PACT Act by visiting VA.gov/PACT or by calling 1-800-MyVA411.

This bill includes a wide range of improvements such as:

- New presumptive conditions for exposure to toxic fumes from burn pits.
- New geographic areas for the presumption of burn pit exposure.
- Adding hypertension and monoclonal gammopathy as presumptive conditions for Vietnam War veterans.
- New geographic areas for the presumption of agent orange exposure.
- Expanding health care eligibility for veterans exposed in service to toxins requiring new data collection & analysis from VA and DoD.
