1. Minutes: John Sefcik made a motion to approve the minutes of the April 28th 2021 meeting. Seconded by Bill Scrafford. All voted in favor with the noted modifications.
2. Chuck Voss shared the individual Comprehensive Plan Member's comments and edits to draw out content changes that were relevant for group consideration. Otherwise the committee agreed to the general editing and grammatical changes suggested by the other committee members.
3. Renumbering of the Renewable Energy goals was discussed to match the rest of the document but the committee agreed to leave this section alone as it seemed most appropriate at this time.
4. B&L agreed to make edits to the first final draft to the Comprehensive plan and return to the committee in the following week. The committee would look for glaring issues with the edited document prior to its posting on the town website on May 20th. The committee agreed to host the usual May 26th meeting in preparation for a special townwide public hearing on May 27th at 7 pm to be held on Zoom.

John Sefcik made a motion to adjourn at 7:34. Seconded by Tom Della Rocco.
