PUBLIC COMMENT

Mrs. Filkins suggested creating a newsletter to provide to residents so they know what is going on in town. She provided a draft to the Town Board for their review and comments. It was suggested to do a quarterly newsletter and to create a committee down the road.

Mrs. DeGross wondered when the Hometown Heroes page on the website would be up and when banners would be viewable at Town Hall. Discussion continued regarding the banners on

the poles and potentially displaying banners at the Town Park.

ADJOURN MEETING

With there being no further comments, Supervisor Kryzak made a motion to adjourn the Organizational meeting. Councilman Beers seconded; motion carried by those present. Meeting adjourned at 6:38 pm.

TOWN OF WESTERLO

Procurement Policy

AUTHORITY

The Town of Westerlo ("Town") Procurement Policy is adopted pursuant to General Municipal Law § 104-B.

PURPOSE

The purpose of this Procurement Policy is to ensure that sound business judgment is utilized in all procurement transactions and that supplies, equipment, contracts, and services are obtained efficiently and in compliance with applicable laws and to ensure that all procurement transactions will be conducted in a manner that provides full and open competition and prudent and economical use of public funds.

In addition, this Procurement Policy seeks to ensure cost effective and efficient procedures for disposition of Town personal property and/or assets deemed no longer of public use to the Town.

GUIDELINES

Guideline 1: Every prospective purchase of goods or services shall be evaluated to determine the applicability of General Municipal Law §103 inclusive of all future statutory amendments, deemed to be incorporated by reference, as if recited in its entirety herein.

Every Town officer, board, department head or other personnel with the requisite purchasing authority (hereinafter “purchaser”) shall estimate the cumulative amount of the items of supply or equipment needed in a given fiscal year.

The information gathered and conclusions reached shall be documented and kept with the file or other documentation supporting the purchase activity.

Guideline 2: All purchases of supplies or equipment which will exceed \$20,000 in the fiscal year or public works contracts over \$35,000 shall be formally bid pursuant to General Municipal Law §103 inclusive of all future statutory amendments, deemed to be incorporated by reference, as if recited in its entirety herein.

In addition, New York State Finance Law 139-L, effective January 1, 2019, requires that all competitive bids for goods sold or services to be performed contain a statement subscribed by the bidder and affirmed by such bidder that the “bidder has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees”... and “[s]uch policy shall, at a minimum, meet the requirements of section two hundred one-g of the labor law” (New York State Finance Law 139-L(a)).

Guideline 3: (1) All estimated purchases of less than \$20,000 but greater than \$3,000 shall require a written request for a proposal (“RFP”) and written/fax quotes from at least three comparative vendors; less than \$3,000 but greater than \$1,000 require an oral request for proposal for the goods, equipment or supplies and email/fax quotes from at least two vendors and purchaser shall maintain a record of responses whether they are received by phone or in writing detailing date/time, name of individual offering quote, and remarks detailing quote; less than \$1,000 are left to the discretion of the purchaser.

(3) All written RFP shall describe the desired goods, quantity and details regarding delivery, including mode of delivery and time parameters for delivery. The purchaser shall compile a list of all vendors from whom written quotes have been requested and the written quotes offered.

(4) All information gathered in complying with the procedures of this guideline shall be preserved and filed with the documentation supporting the subsequent purchase or public works contract. All responses to the RFP shall be kept confidential until such time as the contract for work or goods is awarded and thereafter all documents responsive to the RFP shall be subject to disclosure pursuant to the applicable provisions of the Public Officers Law.

(5) Purchaser has discretion to require certification under New York State Finance Law 139-L (b).

(6) All quotes will be confirmed in writing.

Guideline 4: All purchasers shall make a good-faith effort to obtain the required number of proposals or quotations. If the purchaser is unable to obtain the required number of proposals or quotations, the purchaser shall document the attempt made at obtaining the proposals. In no event shall the inability to obtain the proposals or quotes be a bar to the procurement.

Guideline 5: The lowest responsible proposal or quote shall be awarded the purchase or public works contract unless the purchaser prepares written justification providing reasons why it is in the best interest of the Town and its taxpayers to make an award to other than the low bidder. If a bidder is not deemed responsible, facts supporting that judgment shall also be documented and filed with the record supporting the procurement.

Guideline 6: A request for proposal and/or quotation shall not be required under the following circumstances:

Guideline 8: The Town Supervisor may declare Town personal property and/or other asset(s) as surplus. The Supervisor or a designee shall evaluate Estimated Surplus Value of all assets and equipment to be disposed as surplus and make recommendations to the Town Board regarding disposal or sale, subject to all applicable laws and procedures regarding disposition of surplus asset/equipment, including but not limited to bid procedures set forth in General Municipal Law § 103, and receipt of an “As-Is” Statement and/or Liability Waiver.

The Town may transfer surplus assets and equipment provided that the Town Board has approved such disposal by resolution. This policy shall not in any way limit or prohibit the Town Board from donating an item of personal property and/or asset as permitted under the law.

For Purposes of Guideline 8: Surplus shall be defined as any Town personal property and/or asset that is no longer needed now or in the foreseeable future or that is no longer of value or use to the Town and Estimated Surplus Value shall be defined as the estimated amount of money an interested party will be willing to pay the Town for the property. TOWN OF WESTERLO

Investment Policy

1. AUTHORITY AND SCOPE

The Town of Westerlo (“Town”) Investment Policy is adopted pursuant to General Municipal Law § 39.

This investment policy applies to all moneys and other financial resources available for deposit

and investment by the Town of Westerlo ("Town"), on its own behalf or on behalf of any other entity or individual.

2. OBJECTIVES

The primary objectives of the Town's investment activities are:

- To conform with all applicable federal, State and other legal requirements;
- To adequately safeguard principal;
- To provide sufficient liquidity to meet all operating requirements and
- To obtain a reasonable rate of return.

3. DELEGATION OF AUTHORITY

The Town Board's responsibility for administration of the investment program is delegated to the Town Supervisor, as Chief Financial Officer, who shall establish written procedures for the operation of the investment program consistent with these investment policies.

Such procedures shall include internal controls to provide a satisfactory level of accountability based upon records incorporating the description and amounts of investments, the fund(s) for which they are held, the place(s) where kept, and other relevant information, including dates of sale or other dispositions and amounts realized.

4. PRUDENCE

All participants in the investment process shall seek to act responsibly as custodians of the public trust and shall avoid any transaction that might impair public confidence in the Town Board to govern effectively.

Investments shall be made with prudence, diligence, skill, judgment and care, under circumstances then prevailing, which knowledgeable and prudent persons acting in like capacity would use, not for speculation, but for investment, considering the safety of the principal as well as the probable income to be derived.

All participants involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program or which could impair their ability to make impartial investment decisions.

5. DIVERSIFICATION

It is the policy of the Town Board to diversify its deposits and investments by financial institution, by investment instrument, and by maturity scheduling.

The Town Board shall establish appropriate limits for the amount of investments which can be made with each financial institution or dealer and shall evaluate this listing at least annually.

6. INTERNAL CONTROLS

It is the policy of the Town Board for all moneys collected by any officer or employee of the government to transfer those funds to the the Town Supervisor or designee within 3 days of deposit, or within the time period specified in law, whichever is shorter.

Notwithstanding the above, the following Town officers may transfer collected funds within 3 days of a month's completion:

- a. Town Justices;
- b. Town Clerk; and
- c. Tax Collector.

The Town Supervisor or designee is responsible for establishing and maintaining internal control procedures to provide reasonable, but not absolute, assurance that deposits and investments are safeguarded against loss from unauthorized use or disposition, that transactions are executed in accordance with management's authorization, properly recorded, and managed in compliance with applicable laws and regulations. The Town Board designated the Town supervisor as the Investment Officer to manage the Town's investments in accordance with these policies.

7. DESIGNATION OF DEPOSITARIES

The banks and trust companies that are authorized for the deposit of moneys, and the maximum amount which may be kept on deposit at any time, are set forth in Town Board Resolutions adopted in the annual organizational meetings and as amended from time to time.

8. SECURING DEPOSITS AND INVESTMENTS

In accordance with General Municipal Law § 10, all deposits and investments of the Town of Westerlo at a bank or trust company, including all demand deposits, certificates of deposit and special time deposits (hereinafter, collectively, "deposits") made by officers of the Town of Westerlo that are in excess of the amount insured under the provisions of the Federal Deposit Insurance Act shall be secured by:

1. A pledge of "eligible securities" with an aggregate "market value" (as provided by the GML Section 10) that is at least equal to the aggregate amount of deposits by the officers. See Schedule A of this policy for a listing of "eligible securities."
2. An "eligible surety bond" payable to the Town for an amount at least equal to 100 percent of the aggregate amount of deposits and the agreed-upon interest, if any, executed by an insurance company authorized to do business in New York State, whose claims-paying ability is rated in the highest rating category by at least two nationally recognized statistical rating organizations.
3. An "eligible letter of credit," payable to the Town as security for the payment of 140

percent of the aggregate amount of deposits and the agreed-upon interest, if any. An “eligible letter of credit” shall be an irrevocable letter of credit issued in favor of the Town for a term not to exceed 90 days, by a qualified bank (other than the bank where the secured money is deposited) that is rated in one of the three highest rating categories by at least one nationally recognized statistical rating organization.

9. COLLATERALIZATION AND SAFEKEEPING

Eligible securities used for collateralizing deposits made by Town officers shall be held by the depository subject to security and custodial agreements.

The security agreement shall provide that eligible securities are being pledged to secure such deposits together with agreed-upon interest, if any, and any costs or expenses arising out of the collection of such deposits upon a default. It shall also provide the conditions under which the securities held may be sold, presented for payment, substituted or released and the events of default which will enable the Town to exercise its rights against the pledged securities.

In the event that the pledged securities are not registered or inscribed in the name of the Town, such securities shall be delivered in a form suitable for transfer or with an assignment in blank to the Town or the custodial bank or trust company.

The custodial agreement shall provide that pledged securities will be held by the custodial bank or trust company as agent of, and custodian for the Town, will be kept separate and apart from the general assets of the custodial bank or trust company and will not be commingled with or become part of the backing of any other deposit or other bank liability. The agreement shall also describe how the custodian shall confirm the receipt, substitution or release of the collateral and it shall provide for the frequency of revaluation of collateral by the custodial bank or trust company and for the substitution of collateral when a change in the rating of a security causes ineligibility. The security and custodial agreements shall also include all other provisions necessary to provide the Town with a perfected security interest in the eligible securities and to otherwise secure the local government’s interest in the collateral and may contain other provisions that the governing board deems necessary.

10. PERMITTED INVESTMENTS
