He indicated it allows his staff to get the information to ADP in a timely manner.

**PUBLIC COMMENT**

Library Trustee Mary Ann Witt expressed her surprise that employees were still being paid weekly as she recalled several meetings ago there was discussion to switch employees to bi-weekly. Supervisor Kryzak advised; it would be a hardship to switch to bi-weekly for the employees. They prefer to be paid weekly, and the Town Board honored that as it keeps everyone happy. Councilwoman Burnside also advised that laborers are required to be paid weekly.

Previous Town Board Member Joe Boone questioned if there was any contractual information or an hourly rate that was established for any work needed for Ingalls and Associates, the Towns Engineering Firm in order for the Town to adopt them as the Town Engineer. Supervisor Kryzak indicated nothing this year, however, per the procurement policy, when it comes to securing professional services, there is no need to put them out to bid, they can just go before the Town Board for approval. There were no negotiations, but he indicated they've done a good job so far and they are working on the Freese house project. At any point, the Town can switch engineers but at this time, it didn't make sense to switch mid project with them.

Planning Board Member Bill Hall asked if there were any updates with the Albany Water Board lawsuit. Supervisor Kryzak indicated they are still in the discovery phase. They are trying to claim they are tax exempt. He explained that Town retained an attorney to make sure the Town gets paid their fair share of taxes from Albany Water Board.

Mr. Boone asked if the current attorney was retained for the Town of Westerlo again for 2024. Supervisor Kryzak advised Mr. McHugh has been retained for a two-year term per Town Law

§24.

Deputy Town Clerk Kathy Spinnato questioned why Mary Jane Araldi was only appointed to a 1-year term as Museum Director when it should be a 5-year term. Mr. Kryzak didn't want to hold the meeting up and mentioned it could be amended later.

A resident of Pine Valley Road questioned cell service in South Westerlo. Mr. Kryzak indicated there are two towers in South Westerlo. Verizon should be covering the Town. He suggested contacting them to find out why he's not getting good service. Discussion continued. Mrs. DeGroff suggested investigating First Call, which gives people priority service.

Town Clerk Karla Weaver advised that Mary Jane Araldi took over for Alicia Malanga as Museum Director and her term expired in 2023. The new term should be a 5-year term expiring 12/31/2028. Supervisor Kryzak made a motion to adopt the following resolution:

**WHEREAS:** the Town Board wishes to amend Resolution # 18 for the term of the Museum Director, Mary Jane Araldi which was voted on this evening, be it hereby

**RESOLVED:** there is a correction to change the term from expiring 12/31/2024 as stated in Resolution # 18 – 2024 to expire on 12/31/2028, which is a 5-year term.

Councilman Beers seconded; a vote resulted as follows:

AYES: Supervisor Kryzak, Councilman Beers, Councilwoman Pecylak

NAYS: Councilwoman Burnside

**RESOLUTION # 26 – 2024 was thereby duly adopted.**

#### **ADJOURN THE MEETING**

Respectfully submitted,

This investment policy applies to all moneys and other financial resources available for deposit and investment by the Town of Westerlo ("Town"), on its own behalf or on behalf of any other entity or individual.

#### **2. OBJECTIVES**

The primary objectives of the Town's investment activities are:

- To conform with all applicable federal, State and other legal requirements;
- To adequately safeguard principal;
- To provide sufficient liquidity to meet all operating requirements and
- To obtain a reasonable rate of return.

#### **3. DELEGATION OF AUTHORITY**

The Town Board's responsibility for administration of the investment program is delegated to the Town Supervisor, as Chief Financial Officer, who shall establish written procedures for the operation of the investment program consistent with these investment policies.

Such procedures shall include internal controls to provide a satisfactory level of accountability based upon records incorporating the description and amounts of investments, the fund(s) for which they are held, the place(s) where kept, and other relevant information, including dates of sale or other dispositions and amounts realized.

#### **4. PRUDENCE**

All participants in the investment process shall seek to act responsibly as custodians of the public trust and shall avoid any transaction that might impair public confidence in the Town Board to govern effectively.

Investments shall be made with prudence, diligence, skill, judgment and care, under circumstances then prevailing, which knowledgeable and prudent persons acting in like capacity

would use, not for speculation, but for investment, considering the safety of the principal as well as the probable income to be derived.

All participants involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program or which could impair their ability to make impartial investment decisions.

## **5. DIVERSIFICATION**

It is the policy of the Town Board to diversify its deposits and investments by financial institution, by investment instrument, and by maturity scheduling.

The Town Board shall establish appropriate limits for the amount of investments which can be made with each financial institution or dealer and shall evaluate this listing at least annually.

## **6. INTERNAL CONTROLS**

It is the policy of the Town Board for all moneys collected by any officer or employee of the government to transfer those funds to the Town Supervisor or designee within 3 days of deposit, or within the time period specified in law, whichever is shorter.

The Town Board designated the Town supervisor as the Investment Officer to manage the Town's investments in accordance with these policies.

In addition, this Procurement Policy seeks to ensure cost effective and efficient procedures for disposition of Town personal property and/or assets deemed no longer of public use to the Town.

## GUIDELINES

Guideline 1: Every prospective purchase of goods or services shall be evaluated to determine the applicability of General Municipal Law §103 inclusive of all future statutory amendments, deemed to be incorporated by reference, as if recited in its entirety herein.

Every Town officer, board, department head or other personnel with the requisite purchasing authority (hereinafter “purchaser”) shall estimate the cumulative amount of the items of supply or equipment needed in a given fiscal year.

The information gathered and conclusions reached shall be documented and kept with the file or other documentation supporting the purchase activity.

Guideline 2: All purchases of supplies or equipment which will exceed \$20,000 in the fiscal year or public works contracts over \$35,000 shall be formally bid pursuant to General Municipal Law

§103 inclusive of all future statutory amendments, deemed to be incorporated by reference, as if recited in its entirety herein.

In addition, New York State Finance Law 139-L, effective January 1, 2019, requires that all competitive bids for goods sold or services to be performed contain a statement subscribed by the bidder and affirmed by such bidder that the “bidder has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees”... and “[s]uch policy shall, at a minimum, meet the requirements of section two hundred one-g of the labor law” (New York State Finance Law 139-L(a)).

In no event shall the inability to obtain the proposals or quotes be a bar to the procurement.

Guideline 5: The lowest responsible proposal or quote shall be awarded the purchase or public works contract unless the purchaser prepares written justification providing reasons why it is in

the best interest of the Town and its taxpayers to make an award to other than the low bidder. If a bidder is not deemed responsible, facts supporting that judgment shall also be documented and filed with the record supporting the procurement.

Guideline 6: A request for proposal and/or quotation shall not be required under the following circumstances:
